PERSONAL REMINDER

FROM

No reminder

1. After login, user will be brought to welcome page containing **ANNOUNCEMENT** and **REMINDER**

The screenshot displays the BLUEDALE application interface. The top navigation bar includes the BLUEDALE logo and several menu items: Contact, To Do, Follow Up, Forecast, Project, Performance, BB / TP, Tracking, Tutorials, Admin, and IT. The Admin menu is expanded, showing options: Announcement, Data, User Management, User Access, and Export/Import. A red box highlights the Admin menu, and a red arrow points to the Announcement option. The main content area features a 'WELCOME' header, user information for 'IT' and 'super-admin', and two tables. The first table, titled 'ANNOUNCEMENT', shows a single entry for '03-01-23' with the text 'Forecast meeting today at 6.15pm (3/1/23)' from 'AG'. The second table, titled 'PERSONAL REMINDER', shows 'No reminder'.

14. You can **edit the message**, **change** message type to **announcement** or **select** a **different user** to send the message

The image shows a web application window titled 'EDIT' with a close button (X) in the top right corner. The main content area contains a large text input field with the text 'Test reminder edited'. Below this field are two dropdown menus: 'Message Type' with 'Reminder' selected, and 'Selected User' with 'hse' selected. At the bottom center is a green 'Save' button. Red annotations highlight the text field and the 'Save' button, with arrows pointing to them from the right.
